26-Feb-10 14:58 | johnobeto

Client Virtualization addresses Security, Availability, Manageability, Flexibility, Environmental, #hpbladesday

26-Feb-10 14:55 | johnobeto

Number 1 strategic IT question: "Should I stay or should I go?" #TechKaraoke #HPBladesDay

26-Feb-10 14:54 | sfoskett

2.003 10,000 laptops lost in airports each week? or was that each year? Security major issue/benefit of client virtualisation #hpbladesday

26-Feb-10 14:52 | chrismevans

Security appears at the top of client desktop virtualization queries. #HPBladesDay

26-Feb-10 14:51 | Kiwi_Si

data growth explosion and need to be connected (even on vacation) drives client virtualization #hpbladesday

26-Feb-10 14:49 | alyson_griffin

2.002 On to a discussion about Client Virtualisation. Interesting to see how this works without network connectivity... #hpbladesday

26-Feb-10 14:48 | chrismevans

I wonder if we can get the slide decks, especially @josephbgeorge presentation. please, @beccataylor #hpbladesday

26-Feb-10 14:48 | johnobeto

Q&A session first thing this morning. As expected questions about Tolly Report to Gary Thome. #HPBladesDay

26-Feb-10 14:47 | Kiwi_Si

#HPBladesDay Joseph George is getting ready to talk about client virtualization - learn more at <http://bit.ly/aw6lLh>

26-Feb-10 14:47 | gilletteathp

We're talking about client virtualization #hpbladesday

26-Feb-10 14:46 | johnobeto

Joseph George is addressing us #hpbladesday

26-Feb-10 14:45 | johnobeto

#HPBladesDay bloggers happily blogging at day 2!

26-Feb-10 14:43 | gilletteathp

@jimmymc Have asked your SAS/vSphere support question at #hpbladesday -what storage are you connecting to the SAS interconnect?

26-Feb-10 14:43 | Kiwi_Si

@Kiwi_Si HP has some great Wireless ProCurves! :-) #HPBladesDay

26-Feb-10 14:43 | h0bbel

A little birdie told me we may see some karaoke videos of @StorageNerve @Knieriemen @SFoskett @chrismevans @HPStorageGuy :) #HPBladesDay

26-Feb-10 14:30 | beccataylor

@dvellante #TechFieldDay is a totally different thing from #HPTechDay or #HPBladesDay, but I give HP and Ivy lots of credit for their event

26-Feb-10 14:28 | sfoskett

@dvellante @storagebod GestaltIT concept differs from that of HP Tech Day, the idea for it may have evolved out of HPTECHDAY #hpbladesday

26-Feb-10 14:28 | storagenerve

Any Questions for HP Blades & Infrastructure Software Team, please tweet... #hpbladesday

26-Feb-10 14:27 | storagenerve

When asking HP about the Tolly Report, we are put on hold until they can find an engineer (I love to see them sweat) #hpbladesday

26-Feb-10 14:26 | kevin_houston

@kevin_houston Yay! I worked hard to find you a hotspot on campus today. Thanks for hangin' in there!! :) #HPBladesDay

26-Feb-10 14:25 | beccataylor

HP Blades committed to converged I/O (witness VirtualConnect/Flex10) and FCoE at the core, HP's strategy for edge unclear to me #HPBladesDay

26-Feb-10 14:24 | sfoskett

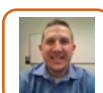

Day 2 of #hpbladesday is back on. Follow the live tweet feeds at <http://bladesmadesimple.com/2010/02/hp-tech-day-live-tweetfeed/>

26-Feb-10 14:23 | kevin_houston

2.001 Hope you all read the disclaimer for the Wifi this morning; 1709 words. Longer than most blog posts..... #hpbladesday

26-Feb-10 14:20 | chrismevans

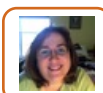

yay - wireless works for Day 2 of #hpbladesday

26-Feb-10 14:13 | kevin_houston

EyeOnBlades The Insight Control Software guys get to strut their stuff at the HP Blades Tech Day (#hpbladesday) <http://ow.ly/16FhI0>

26-Feb-10 01:24 | qfisher

The Insight Control Software guys get to strut their stuff at the HP Blades Tech Day (#hpbladesday): By Chuck Klei... <http://bit.ly/aaiTBK>

26-Feb-10 00:50 | Connect_WW

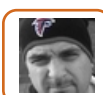

@stu @SFoskett @kevin_houston @chrismevans hp believes they are working to establish industry standard for FCoE #hpbladesday

26-Feb-10 00:47 | rbrambley

EyeOnBlades Chuck Klein's Take on the Blades Lab Visit at HP Blades Tech Day (#hpbladesday) <http://ow.ly/16Ff5T>

26-Feb-10 00:46 | qfisher

@stu @SFoskett @kevin_houston @chrismevans yes. Early in day. HP says FCoE not a radical change to what they are already doing #hpbladesday

26-Feb-10 00:44 | rbrambley

i wonder what mention there was of operations @ #HPBladesDay? Is wire once and walk away on the agenda?

26-Feb-10 00:40 | stevie_chambers

Have taken plenty of great video footage for all you HP BladeSystem & Infra Software users/fans out there - watch this space! #HPBladesDay

26-Feb-10 00:38 | Kiwi_Si

The internet gremlins have been running a muck today so I've been rather quiet on the Twitter front. Great info though at #HPBladesDay

26-Feb-10 00:36 | Kiwi_Si
